The South Australian Aviation Museum Foundation

The South Australian Aviation Museum Foundation invites you to support and contribute to the preservation of South Australian aviation history by donating to the Foundation.

The Foundation is an incorporated charitable trust through which financial donations to the South Australian Aviation Museum may be directed and funds distributed.

www.saamfoundation.org.au

The Foundation is managed by an experienced board of directors and closely overseen by the Australian financial and charitable regulators.

Our objective is to establish the Foundation as a prudently managed and safely invested capital base to provide for the funding needs of the museum over and above its capacity to generate income from day-to-day activities.

Our vision is to be the dedicated SAAM partner that strategically supports SAAM and inspires, engages and informs its donors and supporters.

Our Mission is to inspire donors and benefactors to connect with SAAM's aviation heritage and contribute to SAAM's future development and sustainability.

All donations to the Foundation are 100% tax deductible. Financial support whether given once, pledged annually, bi-annually, through a bequest or by any other means will be truly appreciated and appropriately recognised.
